South County Community Action Launches New Website!

After months of planning and development, we are excited to announce the launching of South County Community Action Agency's new comprehensive website. The new look and user-friendly navigation process offers users easy access to a wealth of information on our services, programs, and staff.

This dynamic website will be updated regularly to bring you the latest news from SCCAA, including information about new programs, upcoming events and job opportunities. There is also an extensive resource page that links you to related agency and organization websites.

So log on to www.sccainc.org and start browsing. Our thanks to Embolden Design, Dawson Communications, Information & Technology Director Matthew Mitson, Director of Administration Peg McGovern, and Chief Operating Officer Brenda Dowlatshahi and the entire SCCAA staff for their tireless efforts in bringing the new website to life!
